Susan G. Metz

AUG 3, 1951 - JUN 4, 2024

Susan G. Metz, age 72, passed away peacefully at Mercy New Life Hospice on Tuesday, June 4th, 2024. Born in Lorain in 1951 to Allen G. and Alice R. (nee Copper) Metz, Susan lived a life dedicated to service, education, and her community. A 1969 graduate of Lorain High School, Susan furthered her education at The Ohio State University College of Veterinary Medicine, earning her Doctor of Veterinary Medicine in 1988. With a passion for animal care, she went on to own and operate her own practice, the Premier Spay/Neuter & Wellness Clinic, where she cared for so many pets and served her community with compassion and expertise.

Susan was a member of the Church of the Redeemer and enjoyed quilting and reading in her spare time. Her professional affiliations included the American Veterinary Medical Association and the Ohio Veterinary Medical Association, where she contributed to the advancement of veterinary medicine.

Susan's dedication to her profession and her kind, caring nature will be deeply missed by all who knew her. She leaves behind a legacy of love, care, and commitment to both her human and animal friends.

She is survived by her brother, Frederick (Patricia) Metz, of Vermilion, her niece, Amanda Metz, of New York City, NY, and her very close friend and co-worker, Melissa Erickson, of Lorain. She was preceded in death by her parents.

Services were private and under the care of Dovin and Reber Jones Funeral & Cremation Center, 1110 Cooper Foster Park Road, Amherst. To send an online condolence, please visit www.dovinreberjones.com.

I have never met a kinder and a more compassionate woman such as Susan. She was the best with our pets who were our other children. My heart is broken and she will be missed so much. I am so sad about this. She is probably visiting the rainbow bridge. Louise. Client.

Doc as I called her was such a dedicated woman! She was a great vet for all my animals and also a feline shelter that I had for ten years. She and Melissa were a god send for animals in need! I know she is watching from above taking care of all the critters in heaven! You are missed Doc. Your compassion for animals will be missed. This was one group I knew my animals were safe with. Not much could keep her away from her work! Thank you doc and now it's time to help and watch over from above. You left us all too soon. Prayers for Melissa and the family and sincere condolences.
