I first meet Bob a couple of years ago at planet fitness He helped me thru a crucial time in my life when I was diagnosed with prostate cancer. I looked forward to seeing him there and talking. Having the health issues he had made it made it a lot easier to deal with my diagnosis. There was not anyone like him there. He dealt with it head on I liked that. I only wish I would have known him a lot sooner. What a wonderful unselfish friend he was. I was hoping this day wouldn't come and he would just come back like he would after treatments. He has gone to a better place where we'll see him again. My deepest sympathy to his entire family. God to glory. Jim Ilcisko.
