Can't sleep I am sad and I am missing my brother Tonio. He would call me at night because he knew I would be awake. We would talk for hours about everything. I miss talking to him, laughing and joking around. He was such a caring person and always there for you no matter what. He would help anyone anytime that was in need or just needed a friend. He would not Judge you but love you for who you were. My family and I are heartbroken but we know he is not suffering now and is pain free. He is home with the Lord, rejoicing with our parents and our brother Roe. Love ya brother. Mary

Tony is my brother. He was the most generous and kind hearted person than I knew. He always tried to protect his family from harm. He loved his family to no end and that included all his siblings. Heaven gained an angel and even though I will miss him tremendously, I am so glad that he is finally free of pain. Fly high my brother. Love you!

Tony Pagan what a legend but never knew it. He displayed compassion toward those less fortunate. Picked up kids working at Mercy who didn't have rides to work. Fixed my snow blower in the middle of winter asking nothing in return. Always had a smile when there was nothing to smile about. Loved his family all of you ! Grateful for everything he had and honored God. He was my son's first boss and taught him about being happy in life. Despite years of pain,he forged thru and tried so hard to be positive. Yes Tony is in a better place without pain and suffering. He's not only a loss to his family but to all who knew him ! We should pray for more Tony's in the world -truly one of a kind -forever missed . Gotta add all-star softball pitcher if I didn't remember he might get upset. Te quiero amigo Dr B as he would say

I worked with Tony at Mercy hospital. He was loved by many people there. Our friendship grew over the years and we stayed in contact right up till the time of his passing. I've never met a man who went through as much as Tony did the last 10 years and still kept his faith. He was an inspiration to me. I will miss my friend. My heart and prayers go out to Barb and the rest of his family.
