Nancy Seighman

FEB 11, 1958 - JUN 15, 2025

It is with heavy hearts that we announce the sudden passing of Nancy Seighman, beloved mother, grandmother, and friend on June 15, 2025, at the age of 67. Nancy was born on February 11, 1958, in Amherst, Ohio, to the late Gerald and Frances Braun. Nancy will be reunited, in spirit, with her beloved client and friend, Margie Slack, whose memory she has always held dear.

Nancy leaves behind her ex-husband, Bob Seighman, and her sons, Rob (Samantha), and Greg (Danielle). She was the proud grandmother of Isabelle and Audrey, who brought her so much joy as she watched Isabelle in the marching band and cheered Audrey on during her softball and basketball games.

Nancy dedicated much of her life to helping others. She worked for many years at Murray Ridge, where she touched the lives of countless individuals, volunteering her time to support the DODD community. She was passionate about her work and her clients, and it was a cause that stayed close to her heart for many years.

In her younger years, Nancy was an avid softball player, and her love for sports and active living continued throughout her life. After retirement, she spent her days in the garden, tending to her plants, and enjoying the beauty of nature. You could often find her at the Eagles, enjoying time with friends, or out on the water, boating with loved ones. Nancy was also a true animal lover, with a special fondness for bulldogs, who brought her great joy and companionship.

Nancy's kindness, generosity, and infectious spirit will be missed by all who knew her. She will always be remembered for her nurturing soul, her love of family, her devotion to animals, and her unwavering dedication to helping others.

A celebration of Nancy's life will be held at a later date. In lieu of flowers, the family asks that donations be made to this <https://gofund.me/839328fe> link to support Murray Ridge Adult Programs—to continue Nancy's legacy and passion.

Nancy and I met in 1994 at the Murray Ridge Orientation. We became friends instantly. I will never forget her loyalty, devotion and love that she had for her family as well as the clients. She would give you the shirt off of her back if you needed it. I have never met a more caring individual. I'm going to miss my friend. Rest in Him Nancy. Prayers to Greg and Robbie and her entire family.

I had the pleasure of knowing Nancy through our employment at Murray Ridge. She was a true advocate for the people we served. She was able to see the humor and humanity in what were sometimes trying times. Nancy took her work to heart and gave it her all. We were planning to visit each others gardens this summer and that sadly is not to be. Rest in peace Nancy. You will be missed by many.

I have so many funny stories I could share but the one that comes to mind first was the time we tried to make homemade fudge in the microwave. We heated marshmallow fluff in the microwave and when we took it out it exploded every where! It was all over us and all over the kitchen. After the initial shock, we laughed until we cried. Good times. She will be missed.

Nancy has always been a very good friend of mine. When we moved here as Gerald & Frances's neighbors we became good friends. We spent much time talking with them and or with Nancy on their front porch. We each talked about our good times. I always enjoyed talking with Nancy each time I saw her. Our Condolences and prayers to the family. ❤️❤️❤️

Nancy was such a great friend. I was glad to visit with her last week at Ricky's celebration of life. She took such good care of Ricky over the years, we all had a lot of fun together. I can't believe she's gone. I will miss her always.

Nancy is my cousin whom I loved and cared for very much. We grew up together and we had so many great times together. Her dad, Uncle Bud, who many knew as Brownie, was a character and Nancy definitely followed in his footsteps. I remember many times as we grew up going fishing and later driving around Amherst in our cars as we got older. We had so much fun together back then when she worked at the old Angelos Pizza. Nancy later married Bob and they were blessed with two wonderful sons, Robbie and Gregory. She loved her family and her grandchildren. I know she cared very deeply for her clients and friends. She will always have a special place in my heart. I'm sad to lose seeing her and talking to her but I know in my heart that she is in Heaven and I pray that she will Rest In Peace. May Gods blessings be with Robbie and Gregory and their families during this difficult time. I love you Nancy! John Balog
