Donna Rebecca Furci, age 57, of Lorain, passed away on Wednesday, April 26, 2017, following a brief illness, at the Cleveland Clinic, Avon.

Donna was born on May 16, 1959, in Christianburg, Virginia. She attended the St. Joseph's School of Practical Nursing in 1981, where she was then employed as a nurse for many years, at St. Joseph's Hospital in Lorain. She will also be deeply missed by several friends and extended family members.

She was preceded in death by a grandson, Jacob Thayer, her parents; Don Sawyers and Novella Wirt, her father and mother-in-law, Anthony "Tony" and Mary Furci, and a brother, Michael Echko.

At Donna's request, there will not be any visitation or funeral. In her memory, the family will be having a private memorial service.

“ I just happened on this website as I was looking up the building we saw on the way from a doctor appointment and wondered what this place was...and then perusing through the site I happened on this very sad obituary for your beloved Donna! I worked with Donna at the doctor's office and enjoyed her very much. She was intelligent, professional, caring, friendly, a conscientious worker and I only wish I'd spent more time with her personally. I am so sorry to hear of your loss...it is an immense one. My sincerest sympathies are with all her loved ones and friends. Nola Jungeberg, Elyria, OH.

“ To Rick and the Furci family  
Rick we worked together for many years and I know how much you loved Donna by the way you always talked about her at work. I wish there was something I could do to take this pain away from you and your family. I know God will pull you through it and you will all be in my prayers. Just can't say how sorry I am for all of you. Hugs to all of you. Sue Krall

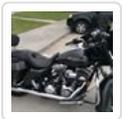

“ I am completely heart broken, I not only lost my cousin but my big sister. Donna, Shirley, and Melody, we grew up together. We were always together, we were more than cousins, we were sisters. I do take comfort in knowing that she is at peace and she will be watching over us until one day we will all be together again. She was the best big sister, I will love and miss you the rest of my life.

“ I remember as a kid, Donna was always witty and funny. but she always had a kind heart... I haven't seen Donna in years, but we still talked on facebook to keep up...her love for animals, was unconditional..... and her love for her family could not be measured... Donna you will be missed by so many....R.I.P. Donna.. You was taken way to early.... but like they say "only the good die young"

“ such an AMAZING woman and mother, truly! This isn't something I am saying just because this is my mother I'm talking about...she is 90% of the reason I am who I am today. She raised me to be realistic, independent, and to always take responsibility for my actions in life. She did this through her everyday actions, big or small...she set such an outstanding example for me to follow. Not only do I love my mother eternally, the respect I have for her is also eternal.

I have thousands of memories that I could discuss, but I honestly don't know where to begin right now. My faith has given me the gift to KNOW, without a shred of doubt, I will see her again in time and that's precisely what allows me to get by ok. My mother has the gift of eternal life and the knowledge of all things within the universe...she is at peace and inundated with joy and love with loved ones previously

passed and Jesus Christ! Love you mom!

“ The family would really like to encourage sharing of memories so that we may document them. So please please share something about Donna with us.

Personally, I have so many memories of my aunt Donna, but what I will most remember is her generosity and sense of humor. She will forever be missed and always in our thoughts and hearts.
