“ Don and Family,
Sorry to hear of your loss. Dorothy went to college with my mother Martha Lahetta at Kent state and also taught in Sheffield Lake Schools. I remember them carpooling with other students to Kent and going to the Elyria High School extension for KSU.

My deepest sympathies, Phillip Lahetta

“ I will always miss you not being here with us, even though I know in my heart you are in the arms of our God making plans for some activity and keeping an eye on us. Obviously, God didn't have anyone who could do this for him as well as He taught you.

I send condolences to your family and friends. My thoughts and prayers are for you and them. Rest in peace, you will never be forgotten.

“ Don,
So sorry to hear of Dorothy's passing. You guys have been together for so long, raised a great family, had grand children to spoil, traveled, supported each other....such great memories. I can't even imagine how hard this is for you. But know this, God has a plan for all of us, even if we don't understand it right now. Trust him, lay your burden on him, he will reveal it to us when the time is right. We all know Dorothy is in a better place, free of pain, and basking in our Lords' love.
