For more than 30 yrs she was in constant attendance at the Sheffield Township council meetings, where she monitored issues and prodded the trustees for updates and resolutions, which impacted her community. She assisted at her local voting precincts during elections and was a volunteer at the Ireland Cancer Center in Elyria for many years.

“ May you rest in peace Gladys.. You were a great friend to my mother . She loved volunteering at both the cancer center and in the gift shop with you. I will always remember the beautiful framed cross stitch that hung on your walls. I still have the white throw that you made for me many years ago. My deepest sympathy to your family... You will be missed
