“ Jean was like sunshine!! She brightened my day when I was blessed to spend time with her.
I remember singing along with her Mother Carol “You are my sunshine” and Jean started moving around. She knew what we was singing. That made my heart swell. I will always cherish my memories with Jean and Carol.
To the family; I am so sorry for both of your losses. May you all find comfort knowing Jean and Carol are together again and we will see them again. Until then, they will forever be in my heart and your family will be in my prayers. Much love and respect.
