

Kathy Lee Chesnick

August 31, 1964 - December 28, 2021

Kathy Lee Chesnick (née McGinnis) of Lorain, passed away December 28th, 2021, at Mercy hospital following a brief illness.

Born and raised in Lorain, Ohio, she would spend her days either taking walks in the metro-parks, at her niece's house or shopping.

A lover of nature, she became a self-taught photographer. Most of her pictures were of what she saw on her walks. From bugs to animals, flowers, and buildings. She had an eye for photography. Delivering the most beautiful pictures, even if they were just bugs.

A lover of crafts, long car rides in the hotrod and her games, her biggest love was spending time with family. Being surrounded by all those that loved her, gave her the greatest joy.

She will be deeply missed by her husband of 35 years, Robert Chesnick. Her loving children; Brock Koon of Lorain and Brandi (Robert) Butcher of Vermilion. She also leaves behind her most loved grandchildren, Damyin and Mekenzy, and her grand dog Dolly. Sister Lori Beecher of South Amherst, brothers Mark (Becky) McGinnis of Lake Worth, Florida, and Ray (Tammy) McGinnis of Elyria, Ohio. Many nieces, nephews, and the ones she would call her kids.

She was preceded in death by her parents, Ray and Sandra McGinnis. Also, her oldest sister Jodi Horinek.

To say she will simply be missed is an understatement.

We ask that donations be made in her name to the Alzheimer's Association at act.alz.org. A celebration of life will take place in the Spring along with the planting of a living urn memorial tree. Details to become available at a later date.

Funeral arrangements are under the direction of the Dovin and Reber Jones Funeral & Cremation Center. Online condolences may be left for the family at www.dovinreberjones.com

“ I was saddened to see Kathy had passed away. It has been many years since I have talked to her but always had great memories. We spent alot of time in our high school years together and remember the fun we had. Sending prayers to her family as they grieve for their loss.
